One consoling thing about the recent heavy frost is that very little additional damage could be done by it. The earlier frosts put an end to certain fruit prospects.

Roy Harris has confessed to the Buffalo police that his confession of the murder of Joseph D. Ellwell was a fabrication. He may not be guilty of that crime, but certainly a man who confesses such a deed and with such elaborate details is not a safe person to be running at large. There is something the matter with his head, if not with his heart.

It is said on the very best authority that highway improvement work could begin in this county if a local contractor could be found who would make a bid as low as that at which work was recently let in Kane county. Certainly this is a matter in which Morgan county people are vitally interested, and they should make it their business to promptly get in touch with the situation and to use their best co-operative efforts to have Morgan county in the list of counties where hard road work is actually and actively in progress.

Special sessions of congress began yesterday and the Republican party is on trial even as never before. The result of the November election was so overwhelming that the party must take full responsibility for everything that is done. There are real difficulties presented with this absolute control.

The people expect much and the situation, speaking especially from a business standpoint, is one wherein relief is vastly needed. One trouble is that people will expect too much and that a change should come very quickly. In fact, with the present administration in power less than two months there have been some local complaints because prices and conditions have not improved.

The Republican judicial convention in Springfield yesterday endorsed two Democrats and one Republican. It was known weeks ago that the action would be taken and that the program had the endorsement of enough counties in the district to make it certain. From the Democratic standpoint, it was an excellent piece of work. Morgan county Republicans entered their protest, but quite well aware that the result would not be changed. These local Republicans felt that the interests of the party could be best served by regularity, especially with the memory still lingering of the majorities of from 18,000 to 22,000 by which the Republicans in the district were elected last November.

A BUSINESS ADMINISTRATION  
The Indianapolis News, referring to the expectation that people are expecting from President Harding a business administration, says:

"Not much destructive preparatory work will be needed. The war swept away some institutions of recent origin which were regarded as inimical to sound business, and aside from the tariff problem, the principle items in the new policy have to do with transportation, both on land and on water, and foreign trade; and Herbert Hoover, as secretary of commerce, is the administration's hope in the most important of these, the field of foreign trade."

"Largely by reason of the failure of an agreement on a foreign policy, the foreign trade of this country is in a condition of chaos. Europe demands our goods, but it has neither the money nor the credit facilities to finance trade. At the same time, American factories are closed down for precisely the same reason. This country has the raw material, the factories and the men to make the goods, and it has the ships to transport the goods overseas. What it needs is money to establish credit. The department of commerce believes that American business should establish its own system overseas, so that there may be no discrimination against American goods by foreign jobbers."

"Secretary Hoover has reduced the problem to the point where it is evident that foreign trade must be helped by corporations organized under the Edge and Webb-Pomerene acts. Among financial experts and exporters there seems to be substantial agreement with the opinion that Hoover has gone to the root of the business depression in this country. If so, he has made history in the department of commerce. In any event, his program bears the mark of investigation, judgment and vision, and merits the serious attention of all citizens, especially those who advocate the isolation and high-tariff policies."

CONVENTIONS MADE SAME ENDORSEMENTS

Republicans and Democrats Both Nominated Same Judges to Serve in This Judicial District—Morgan County Made Unavailable Protest.

In Springfield yesterday Judges Frank W. Burton of Macoupin county, Norman L. Jones of Greene county and E. S. Smith of Springfield were nominated as candidates in the seventh judicial district. The nominations were made by judicial convention of the Republican and Democratic parties and the names are to appear on a non-partisan ticket.

The State Register refers to the convention as "the most astonishing phenomenon in the political history of central Illinois," in the Republican convention, over which Senator L. Y. Sherman presided, objections were made by Morgan county to the non-partisan program. W. L. Alexander, chairman of the Morgan county delegation, presented a resolution setting forth the fact that Morgan county Republicans do not believe in a non-partisan arrangement.

This state of mind is due to the consideration of the figures showing that this district was carried by all Republican candidates in the November election by majorities varying from 18,000 to 22,000.

Mr. Alexander said that the delegates from Morgan county were quite well aware what action the convention intended to take, but that Morgan county wished to be on record for party regularity. C. J. Doyle of Springfield made a motion that the Morgan county resolution be received and made a part of the records.

When the roll was called the proposal to select two Democratic and one Republican candidate was carried by a vote of 92 to 20, the Morgan county delegates offering the only opposition.

A judicial committee was named including the following: Sangamon, Charles G. Briggie; Macoupin, A. A. Isaacs; Greene, J. H. Pierson; Scott, John McKean; Jersey, Paul M. Hamilton. Morgan county declined to nominate a member.

In the Democratic convention Judge Owen P. Thompson was named chairman. The judicial committee named includes: Sangamon, John A. Barber; Greene, P. D. McDonough; Jersey, J. M. Page; Macoupin, Jesse Peebles; Morgan, John M. Butler; Scott, George W. Hogan. The resolution adopted by the Republican convention endorsing the three judges was identical with that adopted by the Democratic convention.

Debate, Illinois College vs. Augustana, College chapel, 8 P. M. tonight.

HEALTH WEEK PLANS RAPIDLY TAKE FORM

Committee Will Meet Tonight — Boys Can Win Prizes in Rat Killing Campaign.

Another meeting of the local committee interested in the arrangements for the observance of health week will be held at the city hall tonight at 7:30 o'clock. At the meeting Saturday Charles F. Ehrie was elected chairman and Homer Ranson, secretary, with Mrs. E. L. Hill, Dr. A. M. King, H. A. Perrin and R. Y. Rowe as other members of the executive committee. Tonight plans will be talked over for centering interest in the week's observance. In accordance with the suggestion made by the state department of health one day will be devoted especially to ridding the community of rats and mice.

Dr. A. M. King is chairman for that particular day and the executive committee has authorized certain prizes for the largest number of rats and mice killed during the week and reported on a certain date. In addition, royalty of 1 cent per head for mice and 2 cents per head for rats will be paid. This plan has been tried out in a number of cities and has created a great deal of interest among boys of the community who by the use of traps and rifles have earned quite a good deal of money.

FOUR INJURED IN AUTO ACCIDENT

Thomason Family Passengers in Car Which Turned Turtle on Morton Road—Injuries Not Serious.

When an automobile driven by Charles H. Thomason overturned on the Morton road, Monday afternoon, four persons were injured. Mr. Thomason, his wife and little daughter, Jennie, and Mrs. Zula Dyer were passengers in the car. Rescuers soon came on the scene and conveyed the injured people to Passavant hospital, where Dr. H. C. Woltman gave them attention.

All were able to leave the hospital in the evening except Mr. Thomason. His bruises and cuts were somewhat more extensive than the other members of the party. However, his condition is not serious and he will probably be able to leave the hospital in the course of a day or two.

The Thomason family lives on the McGinnis farm, southeast of Jacksonville.

MARKING CLOVER LEAF TRAIL  
J. W. Wallace of Chapin, had a force of nine men at work Monday, marking the new Clover Leaf trail. They began their work at the Ayers National bank and worked westward thru Chapin, reaching Meredosia last night. They expect to continue the work thru Perry Springs, Chambersburg and Grigsbyville, where it will connect with the Ocean to Ocean trail. Mr. Wallace stated that a distance of six miles could be saved by following this trail from Jacksonville to Grigsbyville and return, and much better accommodations could be had by crossing the river at Meredosia.

### SIMPLE APPLICATION THAT DISSOLVES BLACKHEADS

No more squeezing and pinching to get rid of those unsightly blemishes, blackheads. There is one simple, safe and sure way to get them out and that is to dissolve them. To do this just get about two ounces of calomite powder from your druggist—sprinkle a little on a hot, wet sponge—rub briskly over the blackheads for a few seconds—wash the parts and every blackhead will be gone. Pinching and squeezing out blackheads make large pores and you cannot get all of the blackheads out this way—while this simple application of calomite powder and water dissolves every particle of them and leaves the skin and pores in their natural condition. Any druggist will sell you the calomite powder and about two ounces will be all you will ever need.

### RABJOHNS & REID STRONG OPPOSITION TO SUNDAY BASEBALL

White Hall Church Takes Unanimous Action Against Sunday Baseball—Other Churches to Follow Same Course.

White Hall, April 11—The congregation of the First Baptist church took unanimous action Sunday morning in the adoption of a resolution calling upon the city council to rescind its action in permitting Sunday baseball. The resolution was offered by Evangelist L. C. Bauer, who now at home on a short furlough. There was not a dissenting voice and Rev. Bauer was requested to carry the action to the other congregations of the city.

At a session last week the city council revoked the ordinance against Sunday baseball, on request of a committee of the American Legion post. A strong baseball team has been organized and its management will be under the direction of the Legion post. A fund of \$700 or more has been subscribed for the purpose, and the Legion anticipated the realization of a neat sum from games during the season. The criticism directed at Dr. Broberg and H. W. Lyons, who made up the fund and appeared before the council to request that Sunday baseball be sanctioned, has moved these two ex-soldiers to state that their request was based on the assumption that they would be able to secure the Pine Grove grounds for baseball purposes, but even that is in doubt, and the criticism that they are to encourage Sunday bolderousness is far from the truth. Mr. Lyons tells the reporter that it is the intention to provide ample traffic and peace police, and that in the event of Sunday baseball is carried out either in the city or outside, it will be conducted in a most orderly manner. He wishes to make it clear that the American Legion does not wish to overstep reasonable bounds in behalf of their organization when they make a request of a public body, such as resulted in throwing down the bars against Sunday baseball. All the other local congregations and the W. C. T. U. will follow with like action. The resolution adopted by the First Baptist congregation is as follows:

**Resolution**  
Inasmuch as the Bible is our guide book and teaches us the sacred obligation of keeping holy for rest and worship the Lord's day, commonly called the Sabbath, and inasmuch as our city council, at its meeting Tuesday night, April 5th, voted to repeal that part of our city ordinance which prohibited Sunday baseball and adopted an ordinance permitting said sport, be it

Resolved, First—That the congregation of the First Baptist church of White Hall, hereby enter its emphatic protest against Sunday baseball and kindred forms of Lord's Day desecration. Second—That the city council be asked to rescind the action of April 5th.

### STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels. Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain. Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

### FORMER GERMAN EMPRESS DIES IN DOORN, HOLLAND

End Came Just After She Had Suffered a Heart Attack

**BODY WILL BE TAKEN TO POTSDAM FOR BURIAL**

(By The Associated Press)  
DOORN, Holland, April 11.—(By A. P.)—Former Empress Augusta of Germany, died here at 6 o'clock this morning. By a strange coincidence the end came just one year after she suffered her first serious attack of heart disease.

It was while she was preparing to enter the house of Doorn, the present home of the former Empress of Germany, after her long residence at Amerongen, that she was stricken with what at the time was believed to be a fatal attack. That was on April 11, 1920. For a few days there were reports that her death was momentarily expected, but she rallied and accompanied her husband to Doorn on May 15, last.

Attacks of her fatal malady recurred at frequent intervals, each supping her vitality and nullifying the measures taken by specialists to restore her health. When her son, former Prince Jacobin, committed suicide in Berlin last July, she was in such serious condition that the news of his death was kept from her for a long time, and it is said she never learned her son killed himself.

Late last autumn the former empress, condition gradually became worse, and on several occasions her children were called to Doorn, but her strength was such that she rallied bravely when the end was believed imminent. Since the first of the year it has been known that she was gradually sinking.

**Death Shock to Family**

The death came as a shock to the dwellers in Doorn Castle, as during last week the patients' condition had seemed less serious. Nevertheless, last Saturday Dr. Haesner, after consultations with Professor Hymans, the Dutch heart specialist, thought it advisable to send a message to Princess Victoria Louise, the only daughter of the former emperor and empress, calling her to Doorn. The princess, who was then in Vienna, had not reached Doorn when death came to the ex-empress, this morning.

Last night the patient was only semi-conscious. She was kept from suffering by frequent hypodermic injections, but her breathing appeared to become hourly more difficult. At 5 o'clock this morning Dr. Haesner assisted the attending nurse and Countess Von Keller, an old friend of the former empress, to adjust the patient's position so that she might become more comfortable.

As the day broke breathing became still more difficult for the failing patient, and her pulse grew weaker.

It was then evident to the physicians that the end was near and Dr. Haesner warned former Emperor William and Prince Adalbert of its approach.

The ex-empress became unconscious and her breathing became fainter and fainter until, at 6:00 o'clock, life left her frail body. The ex-emperor stood at the bedside with bent head as death came to his consort, and he remained in the room for some time afterward.

### WANT PERMISSION TO ISSUE BONDS

(By The Associated Press)  
WASHINGTON, April 11.—Figures presented to the interstate commerce commission today at hearings on the application of the Great Northern and Northern Pacific Railroads for permission to issue jointly \$230,000,000 in bonds indicate it will cost those roads \$20,000,000 to retire on July 1 the \$215,000,000 of bonds with which they purchased the Chicago, Burlington & Quincy railroad, George D. Whitney of the New York banking firm of J. P. Morgan and Co., and officials of the Great Northern and Northern Pacific said the proposed bonds would sell at 96 1/2 and that they would net the roads from about 90 to 91 1/2.

The \$230,000,000 bond issue would be for the purpose of retiring the \$215,000,000 in bonds due July 1. There was no opposition to the plan, which provides for a joint issue of 6 1/2 per cent convertible gold bonds, with the Great Northern and Northern Pacific each putting up \$33,000,000 in bonds, in addition to the stock of the C. B. and Q., as collateral in order to make the securities legal investments for insurance companies and savings banks.

### PREMIER GEORGE IS CONSIDERING STRIKE QUESTION

Will Discuss the Proposition Separately With War-ringing Factions

**GOVERNMENT MAY AID SOME MINES**

(By The Associated Press)  
LONDON, April 11.—The respective contentions of the coal mine owners and striking miners are now in the hands of Premier Lloyd George who is to take them under advisement and meet representatives of the two sides tomorrow. The conference of the owners and miners, with government officials participating, met this morning and submitted exhaustive statements of their cases, which Mr. Lloyd George has arranged to discuss with them separately after which the joint conference will be resumed.

The prospects are favorable although it is too early to say the crisis has been averted. The mine owners even if willing to make new wage proposals were today unprepared with any concrete scheme and present indications were that the conference proceedings will be protracted.

Evan Williams made a long statement of the owners' case and Frank Hodges an equally long statement of the miners' case. The premier desired to have an opportunity of perusing the statements and it was agreed that no report of the respective statements should be published meantime.

It is significant, that although recently the government has taken the attitude that with the industry taken out of government control, it was a matter solely between the mine owners and miners.

**Government May Give Aid.**

The presence of Sir Robert Horne, Chancellor of the Exchequer, especially gave color to reports that the government contemplates affording temporary financial assistance to meet exceptional circumstances of poor yielding mines being unable to afford wages to provide a decent standard of living. This was indicated by the premier in the course of his statement on the government's position when he said the government was unable to grant any "permanent contribution to maintain the industry out of taxes."

According to some unofficial reports the government will refuse even this temporary assistance unless the miners on their part abandon their claim for a settlement of the wages dispute on a "national" basis insuring a universal minimum living wage. As it is believed the miners will insist upon this it would seem premature to predict a peaceful outcome, and meantime the triple alliance is not withdrawing its strike notices.

The triple alliance tonight issued a manifesto setting forth its case in minute detail for firmly supporting the miners in resisting the monstrous proposals of the mine owners and defending the standard of living of the whole working class and the vital trade union policy of national wage agreements.

The manifesto blames the premier and the government for the whole trouble.

### EVANSTON PHOTOGRAPHER

Chicago, April 11.—The practice of a suit for \$100,000 damages was filed in circuit court today by H. Clay Beckwith of Ravenna, Ohio, against Joseph D. Toloff, a photographer, of Evanston, Ill.

Attorneys for Mr. Beckwith, who formerly lived in Evanston, said the suit was based on the alleged action of Toloff in giving to a Chicago paper a photograph of Mr. Beckwith, published under the caption "Slayer-suicide" in connection with an account of the slaying of Dr. Dean Wharton of Syracuse University by Professor Holmes Beckwith.

## RECREATION THEME AT OPEN CONFERENCE

Large Company Heard Presentation of Important Subject at Congregational Church.

More than 100 persons gathered at Pilgrim Memorial of the Congregational church Sunday evening for a conference on recreation, based on the Red Cross survey. Rev. George E. Stickney, pastor of the church, presided. The principal address was by Frank J. Heim, students from the school for the blind gave a splendid musical program after supper had been served by the Guild of the church. The invocation was by Rev. F. M. Rule.

Rev. Mr. Stickney spoke briefly of the purpose behind the Boy Scout and Camp Fire Girl movement. He briefly sketched the history of a group of young hands in Chicago, the facts go-

ing to show that these boys originally had Sunday school influences but because of lack of properly directed recreation fell into bad associations. Then they rapidly developed into criminals.

The new minister spoke with earnestness about young people's work and gave evidence of broad understanding of its possibilities. Mr. Heim, who is thoroughly interested in work with young people along various lines, presented his subject in a way to give an idea of both the needs and the possibilities. His remarks were used to introduce certain paragraphs from the informing Red Cross survey. A part of the Red Cross compilation will be given at a later time. Below are paragraphs from Mr. Heim's introductory remarks. The session closed with a benediction by Rev. Mr. Stickney.

"When the pioneers came to this community the fields and woods were full of wild game. The waters provided fish and water fowl and the forests furnished nuts, bees and fruit, and these gave the early settlers and their children and grandchildren recreation enough. While the early settlers were drawn by cheap lands and the promised opportunities of a new and fertile country, yet is a fact that good hunting and fishing were also inducements. The pioneers endured great hardships and worked long hours, but they also found time for types of recreation which are now gone forever. Gradually these opportunities for recreation enjoyed by those pioneers have lessened until little natural outdoor sport is left.

"All boys and most men just naturally love to hunt and fish. The destruction of the native game, the poisoning of farms and the wise federal and state laws for the protection of bird life have eliminated hunting for the most of us. Today the boy and the gun are almost out of place. "Around Jacksonville the fields and vacant lots in which many of us tramped and romped and played are rapidly disappearing so far as recreation is concerned. The recreation enjoyed by earlier generations is gone, and we are provided with few substitutes. Children are full of animal spirits and if they cannot expend their energies in wholesome recreation they will almost certainly get into mischief. Grown up are to a certain extent but older children.

"We go at a rapid pace most of the time. Even school children have difficulty in finding time enough to go around. We need to slacken up. We need to get out of doors and we ought to have the right kind of recreation regularly, rather than little or none most of the year and then a week or two of vacation; and

that recreation ought to be easily available.

"A few years ago when the Prairie street pavement was completed the children adopted it for a playground. This of course interfered with the speeding which the street offered to car drivers and the children were ordered off the street, which was proper enough, but nothing else was offered them for recreation. The Washington school grounds nearby might have been equipped as a playground for the use of those children.

"We cannot say to people, old or young, when they get into mischief or bad company or improper environment or go where they should not, 'Don't do this or that' and expect any considerable results from admonitions unless something else is offered which will appeal to them. If wholesome recreation is not supplied we need not be surprised if people become victims of commercialized recreation or even commercialized vice.

"Recreation is part of a public health program. The trend to the out of doors is helping in the fight against tuberculosis and other diseases. Many forms of recreation develop both body and mind. Directed play teaches discipline and develops both individuality and co-operation and leadership as well. Recreation contributes to health, develops manhood and womanhood, lessens vice and crime and guarantees a better citizenship.

"The Red Cross survey makes many recommendations. Of course but few of them can be adopted immediately. We must look forward to the future for carrying out most of them. While five or ten years is a long time in the life of an individual it is but a short time in the life of a community. Business and industrial organizations look forward many years in laying their plans. As a community we can only adopt for immediate promotion the most important recommendations but we can direct public opinion so that in due course others may be carried on.

**Real Facts of White.**  
"We should not be staggered by the survey or its recommendations. It is well to know the facts. We have done much in this community in recent years. We have done these things in spite of opposition and predictions of failure. We have an effective anti-tuberculosis society, with a visiting nurse, a social service league, that is doing a great work; a Red Cross nurse for rural districts and school nurses. Our schools, both city and rural, have advanced greatly in recent years. We have been developing a park system, have an adequate supply of pure water and are promised a sewer system. We have made great improvements in our city streets and country roads. We have a county court, a county board and a city administration which are doing things. We have a farm bureau with a very large and active membership which is pushing agriculture and the general betterment of the countryside. In town we have several strong organizations for social and civic improvement. The churches are awakening to the social contact and will be a power for good. This community is progressing, its efficiency is increasing. It has learned that it can do things. It can and will do more."

## COW TESTING RECORDS FOR MONTH

Report Made for March by Tester of Tri-County Association.

Edgar T. Bookner, official tester for the Tri-County Testing association, has made his March report for the herds under his jurisdiction. The best records in Morgan county were made by the herds at the State School for the Deaf and Jacksonville State hospital.

There were 63 cows in the association that made 40 lbs. or more than 40 lbs. of butterfat during the month. Twenty-eight cows in four different herds in or near Jacksonville were in the 40 lb. list. These cows are from the following herds: Illinois School for the Deaf, 14 grade Holsteins, 66, 60, 59, 58, 55, 50, 49, 47, 46, 45, 43, 42 and 40 pounds.

State Hospital for Insane, six purebred grade Holsteins, 44, 43, 41, 41, 41 and 40 pounds.

J. P. Doan, three grade Jerseys, 49, 48 and 47, and grade Holstein, 40.

Otis Johnson, four grade Jerseys, 50, 46, 45 and 42 pounds butterfat, respectively.

The Illinois School for the Deaf has the herd making the highest average production, during March, in the association and also the highest producing cow.

Following is a list of the five highest producing cows in the association:

First figure represents pounds of milk; second, test; third, pounds fat.

Ill. School for Deaf, G. H., 1579, 4.2, 66.

P. E. Shuster, Springfield, G. G., 1085, 6.9, 65.

Ill. School for Deaf, G. H., 1550, 3.9, 60.

Ill. School for Deaf, G. H., 1674, 3.5, 59.

Lillian Ralston, Decatur, G. J., 1116, 5.3, 59.

Eight herds made an average of 30 lbs. or more of butterfat per cow during the month. They are as follows:

First figure represents number cows in herd; second figure, number cows in milk; third figure, lbs. milk; fourth figure, lbs. fat.

Ill. School for Deaf, G. H., 29, 28, 1104, 49.

Lillian Ralston, Decatur, P. B. and G. J., 20, 17, 658, 36.

John A. Record, Decatur, P. B. & G. J., 20, 18, 672, 34.

Julia A. Taylor, Springfield, G. J., G. H. & P. B. H., 21, 18, 866, 32.

State Hospital, Jacksonville, P. B. & G. H., 77, 46, 839, 30.

M. S. McCollister, White Hall, G. J., G. H. & P. B. H., 28, 23, 862, 30.

P. E. Shuster (Fisher farm), Springfield, G. S., G. H. & G. G., 15, 13, 670, 30.

G. M. Ruble, Decatur, G. H. & G. J., 17, 16, 697, 30.

Three hundred and seventy cows were tested during the month. There were only three cows not more than eight months in milk that were kept at a loss during March. This number has been reduced from 50 in the last six months. This reduction probably is partially due to a greater number of fresh cows and exceptionally good weather conditions, but is due more to a better system of feeding and having disposed of many unprofitable cows. J. P. Doan has recently improved his herd by sending three unprofitable cows and a bull, past his days of usefulness, to the butcher.

P. E. Shuster of Springfield added his second herd, the Fisher farm herd, to the association this month.

It is now time for dairymen to consider the question, "Am I going to have plenty of pasture for my cows this season?" Sudan grass is drought resisting and makes good pasture during the dry season when bluegrass is drying up. It should be sown about corn planting time or a little later.

**A UNIQUE CANE.**  
A sassafras cane in the window of Ben's Place is attracting a good deal of attention. It is the property of Ben H. Wilson of the Ben Birdsell grocery store and was cut back in 1872 near Platt's Landing on the Ohio river west of Louisville. The stick while a work of art is a natural growth. It was exhibited at the St. Louis exposition in 1904 and has been shown in many localities. Its owner has thus far refused all offers to place it in the state museum.

**APPEARED IN COURT**  
Charles Hills of Lynnvill pre- nect was arraigned in Squire Opperman's court Monday to answer to a statutory charge. He found was fixed in the sum of \$1,000.

Ray C. Gunnells of Bluffs, who for some time, server as engineer on the Wabash railroad, called on some of his Jacksonville friends yesterday.

Alvin Gardner has gone to Detroit, where he will take a position in the Ford factory. He has been employed here in the plant of the Eli Bridge Co.

Mr. and Mrs. M. H. O'Brien and family have returned to Girard after spending the week-end at the home of Mrs. Mary O'Brien on East Lafayette avenue.

John W. Baptist will leave today for Tallula with a force of men. Mr. Baptist has the contract for building nine bridges at different points on the Cass and Menard county lines.

Members of Ridgely Encampment, I. O. O. F., plan to go to Mercedia this afternoon, leaving their hall at 4:30 to assist the lodge there in conferring the work.

## APRON SHOWER FOR WINCHESTER WOMAN

Mrs. Hattie Cline Pleasantly Surprised by Sunday School Class—Restaurant Burglarized—Other Winchester News.

Winchester, April 11.—Mrs. Hattie Cline was given a very pleasant surprise Saturday afternoon by her Sunday school class. It was an apron shower and Mrs. Cline was very much surprised and delighted. The event was a most pleasant one for all concerned.

Mr. and Mrs. Sherry of Chapin spent Sunday at the home of Mr. and Mrs. Carl Woodall. Little Lucille Woodall accompanied them home.

Mrs. Hart Cohagan returned Monday from a visit with relatives in Roodhouse.

Mrs. Grant Mader left Monday afternoon for White Hall to visit her mother, Mrs. Mary Lilley, and sister, Mrs. Alonzo Ellis and family, returning Monday night.

Carl Woodall, who has been ill the past few days with pneumonia, was somewhat improved Monday.

Dr. J. W. Dace was called to Rushville Sunday morning. Word had been received of the death of his brother, Loren Dace, at his home in Omaha, and the remains were expected to arrive in Rushville, where the funeral is to be held.

Word has been received from Springfield that Mrs. William Estes is improving after her recent operation.

John Dugan and son left Monday for a business visit in Chapin.

There was quite a large class baptized at the Baptist church Sunday evening. A number were received into church membership at both morning and evening services.

Burglars entered the restaurant and pool room of James Landes Sunday night. Only a small amount of money and a few cigars were taken, and it is thought that the intruders were frightened away.

## TRACK PROSPECTS BRIGHT FOR KNOX

GALESBURG, Ill., April 11.—Prospects for a strong track team at Knox College appear to be bright. Coach Barry has more than forty men out on the track daily. Eleven of whom are letter men from last year's team, which won the state college conference meet at Peoria.

Captain Rhind, in the dashes, is expected to win many points, as he has stepped the 100 in 10 and has a record of 51 in the 440 yard dash. Bridgford and Lang are other letter men in the dashes and are expected to gather several points.

Lyron in the high jump, and Pritchard in the hurdles Johnson in the 440, Daugherty in the shot put and Pierce and Rhind in the half mile, are other letter men upon whom Coach Barry is counting for points. Sward, who holds the Knox record in the broad jump, is also expected to win several firsts in his event.

Among the new men who seem to be showing class are Tarry and Adams, in the dashes, Rankin in the high jump, and Olin in the shot put. The Knox schedule this year is one of the hardest ever arranged for the local college, being composed of four dual meets and two conference meets. A strong team will be sent to the meet at Cedar Rapids, Iowa, on May 13, in which representatives from the strong colleges in five states will take part. The 1921 schedule is as follows:

April 16—Hedding, at Galesburg.

April 30—Coe, at Cedar Rapids, Iowa.

May 3—Monmouth, at Galesburg.

May 13—Mid-West Athletic Conference Meet at Cedar Rapids.

May 21—Millikin, at Decatur.

May 27 and 28—I. A. C., at Decatur.

## CHARLESTON MEET TO BE HELD MAY 7

Charleston, Ill., April 11.—The eleventh annual track and field meet of the Eastern Illinois State Normal school will be held here May 7. Advance indications point to a big entry list. The meet is an invitation one and will be in charge of a committee of students and members of the faculty.

The Normal School Athletic association will present gold medals to first place winners, silver medals for second place men and a bronze medal for fourth place man in each event. Silver loving cups will be presented to the athlete scoring the largest number of points and also the second individual point winner. A prize also will be awarded the winning team. Entries from one school in each event will be limited to three and the contestants to two, except in the relay, in which the entire team may be entered, the number to run being restricted to four.

Fifteen events will comprise the program. There will be a 50, 100, 220 and 440-yard dash, half mile and mile runs, 220 yard low hurdles, running broad jump, pole vault, shot put, discus and hammer throw, running high jump, javelin throw and one mile relay.

## CHALLENGE SEATS OF FOUR REPRESENTATIVES

Washington, April 11.—Seats of four representatives who were sworn in today are challenged by contestants who have filed with the clerk of the house testimony in support of their claims. Hawes, Democrat, eleventh Missouri by B. P. Bogy and of Guy L. Shaw, Republican, twentieth Illinois by former Representative Henry T. Rainey, a Democrat.

## PRESBYTERY HOLDS SPRING MEETING

Representatives of Presbyterian Churches Gathered in Springfield Meeting.

The Springfield Presbyterian convention yesterday in Springfield with Rev. S. William McFadden, retiring moderator, presiding. Later in the session J. B. Muir of Lincoln was elected moderator and Clifford H. M. Graves of Springfield, clerk. Dr. J. T. Thomas, chairman of the committee on arrangements, reported the program which was adopted. Dr. A. P. Higley was appointed to preach the Strawbridge sermon at a date to be announced in May.

In the afternoon Rev. A. P. Bergen presented the report on foreign missions. He mentioned the post-war conference which was held at Princeton and told of the increase of receipts of \$274,628.00 over the previous period. The total receipts for the year were \$2,018,241. The report for the new woman's board showed equally liberal contributions.

The principal address of the afternoon session was by Rev. W. A. Proddinger, who related his experiences in missionary work in Syria. At the night session Dr. R. H. Battle made an address following the report on the work of the general board of education. Another session will be held this morning, when the commissioners to the general assembly which is to be held in May are to be named.

## RUYLE ESCAPES FROM GREENE COUNTY JAIL

Locked Sheriff's Wife in Cell and Made His Get-Away

White Hall, Ill., April 11.—"Pug" Ruyle escaped from the Greene county jail about 6:30 o'clock tonight. Ruyle was awaiting action of the grand jury on a charge of robbery. A few months ago he held up a restaurant owner in Roodhouse and made his getaway with a handsome diamond pin. He was subsequently arrested in Alton with the pin in his possession. Since that time Ruyle has been in jail at Carrollton. When Mrs. Holmes, wife of the

sheriff, went to Ruyle's cell with his supper he seized her as she opened the door. Then quickly locked her inside while he made his escape. The sheriff was away at the time and it was nearly half an hour later that Mrs. Holmes' cries were heard and the alarm given.

PHONOGRAPHS AND RECORDS

## Why the Brunswick Phonograph Is What It Is—

While we rely entirely on the inherent merit of the BRUNSWICK to prove its own case, as it has always done—yet, it is a source of great satisfaction to occasionally reflect on the wonderful organization and resources back of it which has not only been responsible for the present unique position of esteem in which the instrument is universally held, but which also furnishes us and our clientele of BRUNSWICK owners with the satisfying assurance that the BRUNSWICK will always be the most desired of all phonographs.

## A FEW FACTS CONCERNING THE MANUFACTURERS OF THE BRUNSWICK PHONOGRAPH

They are capitalized for \$56,000,000.00.  
—have branch offices in twenty-five cities in the United States—five in Canada, one in France, one in Cuba and one in South America.  
—operate their own timber lands in Northern Michigan.  
—make every part of the BRUNSWICK PHONOGRAPH in its entirety.  
—are the only phonograph manufacturers in the United States, and we think, the only one in the world, that actually does this.  
—have at the present time seven factories devoted to the manufacture of phonographs and parts, and two factories to the pressing of records.  
—cut their own veneer logs and slice their own veneer.  
—manufacture their own panels and are just completing a plant to manufacture shipping cases for their phonographs.

Ponder over these facts and you will readily discover the reason of our enthusiasm for BRUNSWICK Phonographs and Records.

**HEAR, THEN COMPARE**

The way to fully appreciate the superiority of the BRUNSWICK is to hear it, then make comparison. Your ear will quickly decide in favor of the BRUNSWICK.

STUDENTS' RECITAL AT WOMAN'S COLLEGE

Large Audience Is Delighted by Program Presented Monday Night by Students of Illinois Woman's College.

The students' recital given in Music hall at the Woman's college last night called together a large audience. The program had been announced in the daily papers and had created interest, and those students whose homes are in the city had many friends present. The work of the performers was of an unusually high grade and again proved the fine training of the teachers in this department.

With one exception the program was chosen from the works of modern writers and the interpretations proved the ability of the students to cope with the tasks set for them. Miss Skinner was unable to play her piano numbers, and the closing number presented a substitute. Mr. Clarence Ratcliff sang the following group of songs:

The Banjo Song—Homer, Rose in the Bud—Dorothy Foster, The Gypsy Trail—Todd Gallo-way.

This lovely group of songs brought to its close a program that greatly delighted the audience and reflected credit upon those who appeared.

AGED MANCHESER CITIZEN PASSED AWAY

Death of John H. Langdon Occurred Monday Afternoon After Brief Illness—Funeral to be Held Thursday Afternoon.

Manchester, April 11.—John H. Langdon, a prominent farmer and stock raiser of this community, died this afternoon at 2 o'clock at his home here. The deceased had been in ill health for several years past but his final illness covered only about a week.

Mr. Langdon was born in Manchester on Dec. 27, 1853, and was therefore past sixty-seven years of age at the time of his death. He had spent practically all of his life in this community and was one of the best known residents of Manchester. The deceased was married a number of years ago to Miss Tessie Husted of Manchester, who survives him, together with the following children: Clara, wife of Fred Collins of White Hall; Elmer Langdon of this vicinity; and Howard Langdon at home.

The deceased was a man of fine character and lived in a way which won the respect and esteem of all with whom he associated. His death will mean a great loss to the community as well as to the home circle.

Funeral services will be held at 2 o'clock Thursday afternoon.

WITH THE SICK

Mrs. S. M. Henderson of 460 South East street is slowly recovering from an illness of three weeks' duration. Inflammatory rheumatism and congestion of the lungs has given her a lot of trouble.

LOST AUTO PLATE

S. M. Henderson and sons, Leland, Marion and Howard motored down to the farm three miles north of Chapin on Sunday afternoon and were surprised to see how much the wheat had grown. The oats also look good, without any sign of being hurt by the freeze. The clover was mostly killed, however.

They had the misfortune to lose their license number, 178971, off the front of their car. Any information as to the finder will be thankfully received by the owner at 460 South East street, Ill. telephone 1328.

Births

FORD CAR IS RECOVERED

The Ford car belonging to J. Bart Johnson which was stolen Saturday night was found near Chapin Sunday morning. Frank Holliday of that village saw the car at road side and telephoned to Chief Kiloran the number. Then it was discovered that it was the property of Mr. Johnson, and was stolen from in front of Routt college. The car had not been damaged by the persons who drove it on the Chapin trip.

BLUES SCORED MORE POINTS THAN REDS

The Blues scored 156½ points and the Reds 144½ points in the first Sunday of the new contest of the Loyal Men's Bible class of Centenary church. The attendance Sunday was 92 and Mr. Smith and the captains of the teams are confident that the attendance next Sunday will run well over the 100 mark. The goal is 200 men.

COUNCIL ADOPTS LICENSE ORDINANCE

Voluminous Measure Adopted By Body at Monday Evening's Session—Dance Hall Measure Embodied in It.

After many weeks of consideration and countless postponements, the city council on Monday evening passed the ordinance providing of licenses of various kinds.

This ordinance repeals practically all of the ordinances relating to amusements and other licenses which have been in effect, some of them for many years. Among other things in this ordinance is the license for street carnivals which is fixed at \$350 per week.

The ordinance regulating dances and providing a license for the same is also embodied in this ordinance. The ordinance contains a number of provisions which are more drastic than formerly.

Many other matters were considered at the meeting and contrary to the rule at recent meetings it was nearly 10 o'clock before the council adjourned.

Some comedy was added to the session by Mayor Crabtree and Edward Harmon who was before the council asking to have Kosciusko street opened from the Brook to Morton avenue.

When the clerk called the roll it showed all aldermen present. Mayor Crabtree presiding. The minutes of the preceding meeting were read and approved.

Claims against the city were read and all those properly approved were ordered paid.

Cost of Cleaning Reservoir. W. H. Cobb, water superintendent, reported that the total cost of cleaning the reservoir was \$196.67. Ald. Moore said that the lowest bid for cleaning the reservoir was \$1,200 so that the city had saved considerable money by doing the job itself. The report was approved and placed on file.

On motion of Ald. Moore seconded by Ald. Ehnie a vote of thanks was extended to the chairman of the water committee and the water superintendent.

Ald. Ehnie, chairman of the public health committee reported that a meeting had been held and committees appointed for health week to be observed the week of April 17.

W. C. Howe was present and addressed the council relative to cleaning out the Brook culverts. Mr. Howe said the culverts had been built about 1869 and that they were inadequate to take care of the water which overflowed and stood in low ground until it became stagnant and was dangerous to the health of the citizens in the vicinity. The matter was referred to Ald. Ehnie to see what could be done.

Ald. McGinnis, chairman of the public improvement committee reported that he had visited the old north end pumping station Sunday and found one of the locks broken on one of the buildings housing the deep well pumps.

Ald. Chapin said an effort had been made to sell the pumps but that no buyers had been found and that they could be sold better while in position than if they were dismantled.

Sidewalks Under Public Improvement.

Mayor Crabtree reported that he had investigated the matter of putting down sidewalks under the public improvement act. Mr. Bellatti had told him that it could be done but that the work had to be continuous and could not be done piecemeal as has been suggested by placing the entire city or an entire ward in a district.

Ald. McGinnis reported that a lot owned by a party in St. Louis located on Myrtle street would soon have a walk as the owner had sent word to Mr. Buchanan to have the work done.

Ald. Chapin reported that the reservoir had been cleaned and that it was hoped within a few weeks to have the filter plant in operation so that the water would be safe for all purposes. Engineer Caldwell also spoke along the same lines. Mr. Caldwell said that the city would soon be able to send some of the water to the University of Illinois for analysis.

Mr. Luby of St. Louis, who was associated with Mr. Crabtree when the latter was in the employ of a large St. Louis dry-goods firm was present and spoke briefly. During his remarks he paid Mayor Crabtree a high compliment.

License Ordinance Passed. An ordinance revising and amending the ordinance providing for various kinds of licenses was then given a second reading and adopted as read.

Edward Harmon was present and asked the council if something could not be done about opening Kosciusko street from the Brook to Morton avenue. This matter was up last fall and Ald. Williamson reported unfavorably because of the high cost.

During the course of the discussion Mr. Harmon asked if the city could not build a bridge and the property owners would do the grading.

Mayor Crabtree then explained to Mr. Harmon how the city was in need of funds and unable to get by with the revenue at hand. He asked Mr. Harmon how much he paid in taxes.

After receiving Mr. Harmon's answer, Mr. Crabtree said, "Well, if you had a riot down on your street what would you do first?"

"Call the police," Mr. Harmon said.

"Then if you had a fire you would call the fire department,"

Social Events

Gave House Party At Chapin

Miss Dorothy Eller of Chapin, gave a house party for the week end, a number of students of the Woman's College being her guests. They very much enjoyed the hospitality of the Eller home. In the company were Misses Hazel Mahanke, Margaret Mahanke, Louise Smith, Alma Dulsdecker, Lee Little and Mildred Owens.

Mrs. D. C. Diltz Entertains for Miss Montgomery

Mrs. D. C. Diltz of South Clay avenue entertained Monday a few intimate friends at a dinner in honor of Miss Mary Louis Montgomery, whose birthday occurred that day. Games, music and dancing was enjoyed the greater part of the evening. Miss Montgomery was the recipient of many beautiful and useful presents. The company included Misses Ada Council, Grace Riley, Faye Hanneline, Pauline Leonard, Frances Cobb, Mary and Virginia Welchman and Mary Montgomery. Mrs. Diltz was assisted by her sister, Miss Dot Diltz, Mrs. T. J. Riley and Mrs. William Council.

Faculty of I. W. C. Entertain at Reception

The members of the faculty of the Illinois Woman's College entertained yesterday afternoon at a charming reception, given for the Jacksonville alumnae and members of the Senior class. During the hours from three to five the guests were received in the college reception room. Those in the receiving line who greeted the guests were Miss Olive Austin, Mrs. Paul Thompson, Mrs. J. R. Harker, Miss Nellie Knopf, Miss R. Neville and Mrs. M. Colean.

The delightful hospitality of the hostesses was most evident in the social room, where tea was served. A blazing fire added cheer to the scene and fruit blossoms, ward roses and spring flowers, artistically arranged, completed the charming effect.

A large number of the paintings of Miss Knopf were hung in the social room and were greatly admired by the many guests.

Those who assisted in pouring tea were Mrs. E. L. Fletcher, Mrs. J. W. Walton, Mrs. E. E. Crabtree and Mrs. F. H. Rowe. There were about one hundred and fifty guests present at this delightful function.

Miss Briggs Gives Party for Bride-to-Be

Miss Mary Briggs gave a charming little party last evening in honor of Miss Gladys Sargent, who is to become the bride of Merritt Newton of Sparta, Wis., on April 27. About sixteen of Miss Sargent's most intimate girl friends were guests at the affair and the evening was delightfully spent in playing cards.

The Briggs home on Pine street, where the company was given, was artistically arranged with bright spring flowers.

Late in the evening a delicious supper was served in the dining room, where a color scheme of yellow and white was effectively carried out. In the center of the table a large wedding ring was suspended from the light and daffodils and dainty white spring flowers were used in decoration. This event in Miss Sargent's honor, was a very delightful affair.

Chaminade Club Has American Music

said the mayor. To which Mr. Harmon answered in the affirmative.

Then Mr. Crabtree told Mr. Harmon he might mention a dozen ways in which he would get far more in service than he paid in taxes.

"But," interrupted Mr. Harmon, "without that bridge and the street opened up the police could not get to my place in case of a riot." This was a tacer and got a big laugh from the council.

The council finally on motion decided to make the improvements asked when funds are available. The council then on motion adjourned.

**Higgins**  
Herbert Higgins of Elkhville, Ill., died Monday at the Illinois School for the Deaf. He was born in Elkhville Ill. July 13, 1907, and was the son of the late Mr. and Mrs. Patrick Higgins, of that place. The deceased was preceded in death by his father who died twelve years ago, and by his mother, who passed away this year.

Herbert Higgins has been a pupil at the School for the Deaf for four years and was beloved by his teachers and schoolmates there. His death followed an illness of about ten days. He is survived by one sister, Rose, and four brothers, Charles, Howard, George and Dewey. Three of them were at his bedside when he passed away.

The remains were taken to the undertaking parlors of Williamson and son and prepared for burial. They will be sent to Elkhville this morning over the C. & A., and funeral services will be held and burial made there.

**McCasey**  
Mrs. Margaret McCasey of Winchester, died at 7:30 o'clock Monday morning at Our Savior's hospital. The deceased was 63 years of age and has been a resident of Scott county for many years. She was born in Ireland and came to this country about forty years ago.

The deceased was preceded in death by her husband, James McCasey, who passed away several years ago. She is survived by one son, Edward, and a daughter, Marie, both of whom are living at the family home, three and one-half miles south of Winchester. Mrs. McCasey leaves three brothers and four sisters. One brother, the Rev. Father J. J. Murphy, resides in Decatur, and a sister, Exavia, lives in Aurora. Two brothers and three sisters live in Ireland.

The remains were removed to the undertaking parlors of J. H. O'Donnell and prepared for burial. The body was subsequently sent to the home, near Winchester, and funeral services will be held Wednesday morning at St. Mark's Catholic church, in Winchester.

**WESTMINSTER MISSIONARY SOCIETY**  
The Home and Foreign Missionary Society of Westminster church will meet this afternoon at 3 o'clock, with Mrs. Smith, at the manse. The leader will be Mrs. J. T. Gunn. This will be the first meeting of the fiscal year and members are asked to make payments of their dues.

## TO ADJUST SANITARY DISTRICT AFFAIRS

Congressman Guy L. Shaw Will Aid in Settling Differences Between Sanitary District and Valley Interests in Twentieth District.

White Hall April 11—Congressman Guy L. Shaw of Beardstown, has been spending the past three weeks in the Twentieth Congressional district, and he has secured further data to base action by him on affairs pertaining to the Illinois river. He had a final conference in Springfield with representatives of the Sanitary District of Chicago, and Congressman

Shaw will return to Washington next week with something more tangible in adjusting the difference between the sanitary district and the valley interests. His first move will be to secure the co-operation of the war department in whatever move is made, this having proven to be a drawback in past years, when it came to final action on legislation designed to be of benefit to the Illinois river valley.

The law permits the sanitary district to turn 7,000 cubic feet per second into the Illinois river, and the sanitary district now proposes to turn in 10,000 cubic feet per second, raising the flow to 15,000 and 16,000 cubic feet part of the time.

Congressman Shaw is inclined to compromise to the 10,000 basis, if the sanitary people will hold to that figure. Mr. Shaw takes the view that the people along the Illinois river are merely asking for a square deal, and he is exceedingly hopeful that a working understanding will be evolved thru this reasonable concession to the sanitary district that will be satisfactory all around. The matter will come up for consideration in Washington at a later date, and at this hearing Mr. Shaw will invite seven representative men from along the Illinois river to present the claims and position of the valley people, one of whom will be Louis Lowenstein of White Hall.

Pupils of the School for the Blind will give their annual concert Wed. Eve. April 13th at 8:15. Adm. 25c.

## FORMER RESIDENT DIES IN CALIFORNIA

Mrs. Margaret Eastman Passed Away After Ten Days' Illness—Funeral Services at Baptist Church in Los Angeles.

Mrs. Margaret Eastman, a former resident of Jacksonville, Ill., passed away at the home of her daughter, Mrs. Harriet Freeman of Los Angeles, Calif., Sunday, April 8. Mrs. Eastman was in good health until about ten days before her death, so it will come as a shock to her many friends in Jacksonville.

Mrs. Eastman's maiden name was Margaret Catherine Whitman. She was born near Cincinnati, O., September 8, 1833. While very young her parents died and she went to live with an aunt. On December 12, 1860, she was married to Samuel Eastman, at Jacksonville, and there she made her home until about 11 years ago. Mr. Eastman passing away in 1905. Five children were born to Mr. and Mrs. Eastman, two having preceded their father and mother in death. Surviving are Charles H. Eastman of Elgin, Ill.; Thad L. Eastman, for many years in business on South Main street, but now of Gardena, Calif.; and Harriet Freeman of Los Angeles, Calif. She is also survived by five grandchildren, all residents of California.

Funeral services were held Tuesday from South Park Baptist church in Los Angeles. A dust was sung by neighbors and the pall bearers were neighbors and friends of Mrs. Eastman. Her wish was to be cremated and these services were held at the Los Angeles crematory and were private.

Mrs. Eastman was known for her wonderful character and her acts of helping others and she will be greatly missed by her relatives and friends.

## How to tell when your Battery has a Glass Arm

Get that examination NOW!

THE battery graveyard is filled with batteries that died before their time. Their owners either neglected them, or prescribed the wrong medicine.

Don't take that responsibility on yourself when there are Prest-O-Lite Service Stations everywhere you drive, equipped for and experienced in battery life-extension.

That's the Prest-O-Lite Service Station's job, no matter what make of battery you now have. If a little distilled water is all your battery needs, distilled water is what you'll get.

We won't try to sell you a new battery until your present battery is actually dead and ready for the soft music. When you do need a new battery, you'll be glad to know that Prest-O-Lite is back to pre-war prices and that an allowance will be made on your old battery. Get that examination now.

#### SHRINERS OF U. S. BUY HOSPITAL SITE

Pay \$150,000 for Site in St. Louis—Will Erect Building to Minister to Children.

At a cost of \$150,000, the Shriners of the United States have completed the purchase of the site for their \$1,000,000 hospital for crippled children to be erected in St. Louis. The hospital will form a unit of the Barnes hospital group and will front on Kingshighway, Clayton road and McKinley highway. Eleven parcels of real estate compose the entire purchase.

Location of the Shriners' hospital near Barnes' hospital and the Medical School of Washington University will complete the great rectangle of medical buildings after the new Jewish hospital has been erected. The local committee of the order, headed by John E. Bishop, past potentate of Moolah Temple, in conjunction with the National Committee on Site, determined upon the purchase of the property, which was consummated by their agents.

Actual plans for the erection of the building are being prepared by a St. Louis architect, whose name has not been made public. It is probable that the Arabian style of architecture will be used, with stone which harmonize with surrounding buildings. According to Henry B. Weisels, vice-president of the Weisels-Gorham company, which was the Shriners' agent, plans for a tunnel under Kingshighway from the hospital to Forest Park, have already been submitted to Mayor Kiel for approval and will be presented to the board of aldermen for its sanction. A space in the park, just across from the new hospital, will be devoted to a children's playground, where the crippled patients will be allowed to amuse themselves. The tunnel will remove the danger of crossing the street to the playground.

#### AN APPRECIATION

(The following lines were written by Mrs. Phebe Moore Hitt, well known in this city.)  
Alone one eve, while musing of the past,  
The present fleeting joys they cannot last;  
I wandered westward thru the dear old town  
To yonder verdant hillside, sloping down,  
God's Acre, consecrated ground  
Where the setting sun's refulgent beams  
Tipt with dazzling lustre, the hallowed scene,  
Sad, and alone, I linger near the silent stone  
That marks their place  
With misty eyes, I penetrate the gloom,  
The shadowy forms of mother, father, brother,  
Old friends and kindred dear  
With weary footsteps move down the "long, long trail,"  
The vision changes; heavenly music  
Fills the earth with joy; the trumpet sounds,  
All hail! Ye sleeping dust arise  
And meet your waiting spirits in the skies.  
The night is gone; and angel voices tell  
That victory crowns with glory, that has farewell.

and Then Puts Any Article in Your Home

Prices have come down and down to stay, but low prices do not always mean quality. You, as a buyer, have to do some careful shopping to get a dollar's worth of merchandise for the dollar you spend. This store does not advertise and does not sell any goods at "marked down" prices. Special values are arbitrarily given you on certain dates to stimulate sales—a sound and honest way of trading. It is a sacrifice we make to sell our goods and you benefit thereby by purchasing on these days. If you wish your dollar to go as far as possible for you, go to the shop with a reputation for delivering the goods represented at legitimate prices. The standard of our goods has never been lowered and never will be lowered.

#### Little Children Brighten Homes

EVERY young couple starting out in life has visions of joyful hours spent before the fireside with healthy, happy children; but, alas, how often young women who long for children are denied that happiness because of some functional derangement which may be corrected by proper treatment. Lydia E. Pinkham's Vegetable Compound is just the medicine for these conditions, as the following letters show:

McDonald, Ohio.—"I suffered from a displacement, a weakness, and a great deal of pain. The doctor said nothing would help me but an operation. He said I could never have any children because I was too weak."

"I had often heard of Lydia E. Pinkham's Vegetable Compound, so I tried it and it helped me. Now I am in the best of health, do all of my own work, and have a lovely boy six months old. I recommend your medicine to my friends and you have my permission to use this letter."

Mrs. J. C. EAGLESON, 426 Garfield Ave., McDonald, Ohio.

Mesa, Colorado.—"Ever since I was a young girl I suffered from a great deal of pain every month. I tried different medicines, but only got relief for a short time. I had been married seven years, and wanted a child, but was not well enough. My mother advised me to try Lydia E. Pinkham's Vegetable Compound as it had helped her, and I am happy to say it restored my health, my pains disappeared, and I have a fine little girl. I advise all women who suffer as I did to try Lydia E. Pinkham's Vegetable Compound."—Mrs. E. C. WILMER, Box 94, Mesa, Colorado.

SEED CORN—We have had a  
wonderful season in Mason City  
this year for maturing seed corn  
with the result that we have the  
finest lot of well dried 1920 crop  
of seed corn that we have ever  
grown. This corn is gathered  
in the fall and placed on drying  
racks when it is very slowly  
dried down to twelve or four-  
teen per cent moisture content.  
This gives corn a very high  
vitality. We have been in the  
seed corn business in a large  
way for over thirteen years and  
have the largest and best  
equipped drying plant in the  
world. Our down town plant is  
in the center of Mason City.  
right on the hard road between  
Springfield and Peoria. It is  
well worth a trip to Mason City  
to see this corn. Price is only

**MRS. NANCY MOORE HAS REACHED GREAT AGE**

Manchester Woman Is Almost a Centenarian—News Notes.

Manchester, April 11.—Mrs. Nancy A. Moore, known as "Grandmother" Moore, celebrated her 99th birthday Friday, April 8th. During the day many friends were received and she was presented with a gold thimble with her initials engraved, also the figures 99. She also received many flowers, post cards and letters. She is the mother of three children, all of whom were present on this day. They are: John Moore of White Hall, Ark., of Ationsville, and Mrs. Perry Alred with whom she makes her home. Her half-brother, I. N. McPherson, of Barrow, was also present. Altho advanced in years, Mrs. Moore is still active and bids fair to celebrate several more birthdays.

News Notes.

Clinton McConnell returned Saturday from Vandalia, Mo.

Mr. and Mrs. Fred Lewis and family of Franklin spent Sunday with John Blakeman and family.

Miss Mildred Lakin of the Woman's College spent the week end with home folks.

Mrs. A. B. Rochester, who has been suffering with tonsillitis, was able to return to her home in Roodhouse Sunday.

The Royal Neighbors met in regular session Saturday evening at which time five candidates were initiated into the order. Later in the evening refreshments were served.

Saturday, April 9th being the 18th birthday of Miss Verna Blakeman, her mother planned a pleasant surprise for her. On arriving home from Jacksonville she found about 30 invited guests awaiting her and altho completely surprised very soon composed herself and helped to make a pleasant time for all. The evening was spent in games and music. Delicious refreshments of fruit salad, ice cream and cake were served. At a late hour the guests departed for their respective homes all reporting a good time and wishing Miss Verna many more happy birthdays.

Mrs. Mary Fanning suffered a slight stroke of paralysis Thursday and since that time has been in a critical condition. Her advanced age makes her recovery very doubtful.

Mr. and Mrs. Joe Curtis, Mr. and Mrs. Claude Boston and Mr. and Mrs. Glenn Funk spent Sunday with Homer Thompson and wife southeast of town.

Mrs. F. L. Ledford of Jacksonville and Mrs. Frank Ledford of Springfield spent Thursday at the home of Henry Heaton.

**CHICAGO DWELLING IS BUILT IN EIGHT HOURS**

In order to show just what could be done in relieving the housing situation, the Lumberman's Association of Chicago erected a five room frame dwelling from the foundation to the top-most shingle in eight hours. The work was started at seven A. M. and was ready for occupancy, with the exception of decorations, at 4:30 P. M. Homes of this type can be erected and sold for \$2500. Thirty carpenters built the one-day house.

**SCHOOL IS CLOSED.**

McCracken School, District No. 3, Scott county, closed April 7th. Most of the patrons came with well filled baskets and loaded a long table with all things that are good and inviting to the appetite.

This sumptuous dinner was followed in the afternoon by a two hours' program, given by the pupils. The program was pronounced most excellent by all present, and each child acquitted himself well. The program consisted of songs, recitations, concert readings and several school plays by different grades. The teacher, Miss Helen Saye, was highly commended for the way in which she has managed the school and many expressed a desire that she might return to them for the coming term.

**CALLS FOR AID TO WAR VETERANS INCREASING**

Chicago, April 11.—Work for the ex-servicemen whose problems have increased, rather than decreased, since their discharge, is one of the big tasks engaging the Red Cross in the Central Division, according to the announcement of Walter Davidson, manager. In outlining the work for chapters in the division which was re-organized this week to include the states of Minnesota, North and South Dakota, Wyoming, Montana, Nebraska, as well as Illinois, Iowa and Wisconsin, Mr. Davidson places great emphasis on this phase of Red Cross work.

"Our reports show that during the past year there has been a marked increase in the number of cases of war veterans needing the services of the Red Cross," he states. "Questionnaires sent out to war veterans show that not only are thousands in need of hospitalization, but that many deserving cases often fail to receive attention thru the reluctance of the men themselves to make known their need for help."

"This consolidation of chapters in no way affects the chapter activities. They will continue to function in their various communities along the lines in which each finds possible the best interpretation of service to the people in the surrounding territory. Field representatives will continue to keep closely in touch with the chapters and central division headquarters here, while the staff maintains its liaison with the district offices of the War Risk Insurance Bureau, Public Health Service and Federal Board of Vocational Education."

**ANNOUNCE TRAINING CAMPS FOR CIVILIANS**

CHICAGO, April 11.—Military training camps for civilians, conducted along the lines of the original Plattsburg camp in 1916, are scheduled for the middle west during the coming summer, according to an announcement today by the central department headquarters of the military training camps association.

Camps will be conducted at the following points to serve the territory indicated:

Camp Knox, Kentucky, or Camp Sherman, Ohio, for Indiana, Kentucky, Ohio and West Virginia.

Camp Grant, Illinois, for Illinois, Michigan and Wisconsin.

Camp Pike, Arkansas, for Arkansas, Missouri, and Kansas.

Fort Snelling, Minn., for Iowa, Minnesota, Nebraska and the Dakotas.

These camps are open to all men between 16 and 35 years of age. All expenses of the training period which opens about the middle of July and continues until the early part of August, will be borne by the Government. Applications for assignment to the camps are being received by the association here and are being passed on under the supervision of representatives of the general staff of the army. The period of activities extends over four weeks.
